

POOL GRANDSTAND

CLIENT | Moreton Bay Regional Council (MBRC)

CONTRACT TYPE | Design and Construct

CONTRACT VALUE | \$1,625,000

CONTRACT PERIOD | 8 months

The construction of the grandstand at Lawnton Aquatic Centre now provides covered seating for 1,000 people, disability access, timekeeping facilities and storage areas.

idec's scope of works for the project included:

- Structural design
- Steel fabrication and installation
- Civil works
- Precast concrete seating
- Cladding

idec engineered and built the structure to cantilever (using our built-up plate technology) over the bleachers for maximum visibility.
