**Nominated Welding Supervisor** Mark Gnezdiloff      Back- up Darren Emery

Scope of Registration

- **Mounted bridge or tunnel elements**
- **Miscellaneous structures**
- **Motor grids**

Registration is governed by the Supplier Registration Scheme: Bridges and Other Structures. Adherence to this document and the relevant technical specifications is required at all times.

The following conditions apply:

1. "Inactive" suppliers may tender on projects, however an audit by Structures Construction Materials is required on commencement of supply.
2. Registration is relevant for the listed products only, to the specifications noted only.
3. Registration is for the site address listed above only. Fabrication/welding can only be undertaken at the site address listed above.
4. Registration does not indicate approval or endorsement of proprietary designs.
5. Registration may be withdrawn or otherwise amended, check the latest registered supplier list for any changes.
6. The fabricator must notify Structures Construction Materials when awarded a Transport and Main Roads job prior to commencing fabrication.
